To: Chairperson and Board Members

From: Pete Williams,
Deputy Executive Officer
Victim Compensation Program

Subject: **MENTAL HEALTH SERVICE LIMITATIONS**

Victim Compensation Program (VCP) staff has revised the regulations governing mental health service limitations. Rather than submitting them to you for approval this month, we would like to test them to see if they will address the substantive and administrative problems identified with the current emergency regulations.

We expect to submit the revised regulations to you for consideration in August of 2003. Please contact me at (916) 324-1343 if you have any questions or need additional information.
